The Knights Newsletter *54th Year of Service!!!* **September 2011**

As the summer comes to an end, we look forward to the autumn season bringing school, football, leaves, and the completion of harvest. In a few months we will complete the Church year and begin again with the season of Advent. It all goes too quickly, so please remember to take time for God and family.

COAL tickets (Chance of a Lifetime) are now available as are **football tickets**. Also, you can get the **“Keep Christ in Christmas”** magnets.

Vivat Jesus!

Fraternal Report

Grand Knight **Bill Tanzosh** thanked all Knights who helped over the summer. The big events were Nazareth Day and the Parish Festival. He remarked that “The Knights were helping all over.” He also conveyed the thanks of Fr. Joe for our help with the festival, especially in our sponsorship of the shuttle bus. Bill recently attended a seminar along with our council Financial Secretary and Deputy Grand Knight. The training seminar was useful and to the point, and covered topics such as addressing the needs of the Church, Community, Family, and Council. Also the importance of recruiting.

In his Chaplain's report last month, **Father Simi** also thanked the Knights on behalf of Father Joe and the parish for helping at the festival. Father had seen a broadcast of the Knights Supreme Convention and found it inspiring. Supreme Knight Carl Anderson outlined all the ways Knights are helping around the world. The works of the Knights are not widely known, but known only to themselves. Father said that this was good because the most important things are small like mustard seeds or yeast. The knights were started by an ordinary parish priest who was small like a mustard seed. We should know that we are like yeast in the small ways we help, and that the dough does not grow without us.

Our Council officers were installed at a ceremony held August 23rd at the Father DeNisco council home in Bangor. Our council was well represented, and the ceremony was well done. A very nice reception followed.
